

SIMS, Inc. Pricing Effective July 1, 2011

Software cost is based on the account capacity with all features standard. All software prices include a 90 day software warranty and backed by a 90 day money back guarantee. As pricing for the CSM, SIMS II and SIMS III is based on account capacity, you only need purchase the amount you currently require. This will reduce your initial investment and allow your system to grow as your company needs grow.

Central Station Automation Software

<u>Product</u>	<u>Account Capacity</u>	<u>SIMS II/Windows</u>	<u>SIMS III</u>
SIMS II/III Windows Multi User	250 Accounts ¹	3,875.00	6,875.00
